Giteshwari Rajendra Patil

Software Developer

Shindkheda, Maharashtra, India | 8087761575 | gitp1609@gmail.com | LinkedIn: www.linkedin.com/in/giteshwari16

PROFILE SUMMARY

Innovative and detail-oriented BCA student with strong expertise in Python, C++, React, and Django, passionate about developing scalable and user-centric applications. Experienced in full-stack development, AI-based projects, and machine learning fundamentals. Demonstrated leadership as a hackathon team leader and project manager, excelling in teamwork, communication, and problem-solving. Skilled in leveraging tools like Tableau, MS Office, and Canva for data visualization and presentation. A published researcher and active member of the IMRD Tech Club, focused on continuous learning and driving impactful, data-driven software solutions.

EDUCATION

Bachelor of Computer Applications (BCA) – Institute of Management and Research Development, Shirpur (2023 – Present)
3rd Year - CGPA: 9.89/ 10.00 (91.00%)
HSC – SSVPS Arts Commerce and Science College, Shindkheda (2022- 2023)
Grade : 86.64%
SSC – V K Patil International School, Shindkheda (2020 – 2021)
Grade : 97.20%

TECHNICAL SKILLS

- **Programming Languages**: Python, C++.
- **Web Technologies:** HTML5, CSS3,Javascript.
- **Databases & Tools**: MySQL, Tableau, Git.
- **AI & ML**: Basics of AIML
- **Frameworks**: Basics React Framework, Basics Django Framework
- **Other Skills**: Presentation, Problem Solving, Leadership, Communication.

PROJECTS

Inventory Management System

- Tech Stack: HTML, CSS, React (Frontend), Python + Django (Backend), SQL Database
- Developed a full-stack inventory tracking system to efficiently manage stock, suppliers, and sales.
- Implemented CRUD operations with real-time updates and user-friendly UI.

MediPredictor

- Tech Stack: Python, Django, React, Machine Learning (ML Basics), NLP Basis, SQL.
- Built an AI-powered healthcare app to analyze drug interactions and manage blood donation data.
- Applied ML and NLP techniques to detect adverse drug combinations and recommend safe alternatives.
- Designed a blood donor dashboard for quick donor availability and enhanced decision-making.
- Solves critical healthcare problems using predictive analytics and intelligent automation.

WORK AND EXPERIENCE

- **SLMT Technology Pvt Ltd, Shirpur**:-
  AI Intern to Project & HR Manager, Jan 2025 – Sep 2025 (Offline). Developed AI-powered Cryptocurrency Dashboard for real-time market tracking. Collaborated with cross-functional teams on data analytics and dashboard automation. Promoted to Project & HR Manager for exceptional leadership and project delivery. Managed a 6-member team, coordinated development timelines, and ensured project efficiency. Strengthened expertise in AI, data visualization, and team management.
- **MauliKavyanshu Foundation, Shirpur:-**
  Researcher & Developer Intern, Sep 2025 – Nov 2025 (Offline). Worked on live machine learning, frontend, and backend projects. Contributed to the research department for data-driven innovation and ML model analysis. Enhanced technical skills in React, Django, and AI model integration.
- **IMRD Tech Club, –** Institute of Management and Research Development, Shirpur:-
  Technical Member , Feb 2025 – Present. Participated in organizing and managing technical events and workshops. Improved presentation, teamwork, and event management skills. Collaborated with peers on institutional technical projects and mentorship programs.

CERTIFICATIONS & ACHIEVEMENTS

- **Linked-In Certifications**:- (Python for Data Science, Machine Learning Basics, React and Spring, Generative AI Basics,
- **Simplilearn Certifications**:- Power BI for Beginners, Machine Learning Basics.
- **College Achievements** :- First rank – SIH Internal Hackathon (College Level), Third rank – Data-Driven Coding Competition,
  Third Rank – IMRD Hackathon 2025, University Topper Award – CGPA 9.89 (SYBCA).
- **Research Publication**:-*"Future Insights: Data-Driven Approach to Predicting Human Behaviour"*-- Published in Research Journey: International Multidisciplinary E-Research Journal, ISSN 2348-7143, Impact Factor 6.625, Special Issue 359, March 2025. Presented at **the 2nd National Level Conference on Global Business Transformation: Technology, Trends & Practices.**

HOBBIES: Reading books, Listening music, Art and Crafting,
